CZ Unikátní technologie ručního ohýbání se v Bystřici pod Hostýnem používá od roku 1861. Dnes na tuto tradici navazujeme a propojujeme ji se současnými nápady designérů. Naše židle a stoly se tak stávají jedinečným spojením kvality, inovativních tvarů a odkazu místa, které se po generace učilo rozumět dřevu. Naše produkty najdete ve více než 60 zemích světa. V restauracích, hotelech, kavárnách, ale i kostelech, domácnostech, veřejných prostorech a na pracovištích. Inspirujte se již uskutečněnými realizacemi.

EN The unique technology of hand bending has been used in Bystřice pod Hostýnem since 1861. Nowadays, we follow this tradition and adapt it to contemporary designers' ideas. Our chairs and tables become the extraordinary connection of quality, innovative shapes and the heritage of the place that has learned to understand the essence of wood over decades. Our products can be found in more than 60 countries all over the world; in restaurants, hotels, cafes, and also in churches, households, public premises and workplaces. Get inspired by photos of our products in use!

DE Die einzigartige Technologie der Handbiegung wird in Bystritz am Hosten seit dem Jahr 1861 angewandt. Heute knüpfen wir an diese Tradition an und verbinden diese mit den zeitgemäßen Ideen von Designern. Unsere Stühle und Tische werden dadurch zu einer besonderen Verbindung von Qualität, innovativen Formen und dem Erbe des Ortes, der über viele Generationen hindurch gelernt hat, die Eigenschaften von Holz zu verstehen. Unsere Produkte finden Sie in mehr als 60 Ländern der Welt. In Restaurants, Hotels, Cafés, aber auch in Kirchen, Haushalten, öffentlichen Räumlichkeiten und Büros. Lassen Sie sich durch unsere realisierten Projekte inspirieren.

PL Unikalną technologię ręcznego gięcia drewna stosujemy w Bystricy pod Hostynem od 1861 roku. Wciąż kultywujemy tę tradycję, łącząc ją z nowatorskimi pomysłami projektantów. Nasze krzesła i stoły są wyjątkowym połączeniem jakości, nowoczesnych kształtów i doświadczenia zdobywanego w tym miejscu przez pokolenia. Produkty TON znajdziecie w ponad 60 krajach świata – w domach i mieszkaniach, restauracjach, hotelach, kawiarniach, a także kościołach, biurach i miejscach użytku publicznego. Pozwólcie, aby zrealizowane projekty były dla Was inspiracją.

FR La technologie unieq du bois courbé à la main à Bystřice pod Hostýnem est utilisée depuis 1861. Aujourd' hui nous renouons avec une tradition et la connec-tions avec nos designers et ses idées actuelles. Nos chaises et nos tables deviennent ainsi une association unique de qualité, de formes innovantes et de l'héritage d'une localité où des générations entières apprenaient à comprendre le bois.
