INFORMACJE NA TEMAT SPOSOBU ZAŁATWIANIA REKLAMACJI:

- Bardzo prosimy o dokładne określenie uszkodzonego przedmiotu jak i precyzyjne określenie uszkodzonego elementu na podstawie oznaczeń zawartych w instrukcji montażu. Instrukcje dostępne są na stronie: https://innovationliving.help/assembly-instructions.
- Do dokładniejszego określenia należy posłużyć się instrukcją montażu gdzie wszystkie części są odpowiednio oznaczone. Najlepiej jest zaznaczyć reklamowaną część na instrukcji i przesłać skan lub zdjęcie tak opisanej instrukcji.
- Do zgłoszenia należy dołączyć numer zamówienia (lub nr faktury, nr dokumentu magazynowego) i zdjęcie etykiety jaka znajdowała się na opakowaniu produktu oraz datę produkcji z opakowania lub kartonika z datą znajdującego się wewnątrz opakowania. Ułatwi to odszukanie numeru zamówienia w fabryce i numer partii produktu.
- Prosimy o przesłanie zdjęć reklamowanych części - w ten sposób będzie łatwiej określić uszkodzenie.
- Drobne części zamienne (np. listwy, wkręty / różne wyposażenie, mechanizmy Click-Clack itp.) są wysyłane bezpośrednio do Sprzedawcy lub do Klienta firmą kurierską UPS lub pocztą, w zależności od wagi i wielkości części zamiennych. W takim przypadku proszę o podanie adresu na jaki ma być wysłana część wraz z telefonem dla kuriera.
- Większe elementy dostarczane są w taki sam sposób jak normalne dostawy – do magazynu sklepu. Wymiany dokonuje podmiot sprzedający we własnym zakresie.
